CHARLESTON FIGURE SKATING CLUB

## Test Session

The finalized date for the next test session is April 3rd. If you have not done so, please sign up to bring a food/drink item for the hospitality room. The sign-up sheet is posted on the CFSC bulletin board. We have several out of town skaters attending the test session. Please show them generous hospitality and help them feel welcome. Good Luck Skaters!

## Spring Show

The date for the spring show has been set for Sunday May 1st. The dress rehearsal will be held during Saturday freestyle from 9-11 on April 30th. The entry fee for the show is \$ 40.00 for each club participant. Please provide your fee to Bridgette Young or Patsy Tighe, or give to the ice monitor. Please mark your check "spring show" to ensure proper credit.

All CFSC members interested in participating should sign up on the sheet posted on the CFSC locker room door. **The theme of the show is "Glee on Ice". Programs should be choreographed to songs which have been performed on Glee.** Program guidelines/time limits are posted on the locker room door. Choreography for the individual numbers should be developed by the skater and their coach.

If you would like to help at the spring show, please attend the next board meeting on April 21st, 2011 at 6:00 PM.

## Synchronized Skating Practice/Meeting

Synchronized Skating Practice is being held every Monday evening from 5:30-6:30 pm. This practice is open to all skaters of every level interested in synchronized skating. The cost of the practice is \$ 10.00 per session.

## Freestyle

Please continue to pay for freestyle passes within the first week of the month purchased. Freestyle pass payments must be up to date to ensure members remain in "good standing" and are eligible to participate in test sessions and club sponsored shows.

## Summer Rink Closure

Unfortunately, available information indicates the rink will be closed in July and possibly early August for maintenance. The exact details of the rink closure are not available at this time. Skaters should be aware of this planned closure and consider this when evaluating future competition and testing schedules. Please see your coaches for questions concerning the planned rink closure.
