### Test Session

The tentative date for the next test session will be **Sunday April 3rd**.

Test forms will be provided to the coaches in the near future. More details concerning the upcoming test session, including test form due dates will be provided at a later date.

### Soccer Game and Practice Concession Fundraiser

As a fundraising opportunity for the CFSC, we are planning to provide concessions to the soccer fields during practice and game times. This will take place in the spring when the games/practice begin. Christine Compton is preparing the details for this fundraising opportunity. This will require club members to volunteer to work concession shifts during the soccer season. As outlined in the membership requirements, if you do not wish to participate in a club fundraising event, a \$ 25.00 "opt out" fee will be required. The time slots required and a sign up sheet for volunteers will be provided in the future.

### Mardi Gras Party

A Mardi Gras party is planned to be held by the club during the Sunday freestyle from 5:30-7:00 PM on March 13th. The party will be open to all CFSC members and Learn to Skate participants. No fee will be required of CFSC members who have a March freestyle pass. The cost for other members who do not have a pass, and for LTS participants, will be \$10.00. The party will include Mardi Gras themed

music and games, a mask making craft, and lots of food and skating. Everyone is encouraged to dress up in their crazy Mardi Gras best including masks, beads, etc. Also each club member will be asked to bring a food or drink item to share. If any club members would like to help in planning and executing the party, and/or have Mardi Gras decorations they would like to lend to the club, please email Jennifer at [ljep@suddenlink.net](mailto:ljep@suddenlink.net). In addition, we will be offering club memberships at a 50% discount to any interested persons. More details and information on this event will be provided in the future so watch your email!

### Love to Skate

A "Love to Skate" event will be held on February 20th from 4:30-5:30. The event will include synchro exhibitions, and skating instruction and encouragement to LTS participants who may wish to join synchro or the CFSC. Additional information concerning this event will be provided as it becomes available.

**Next Board Meeting: February 17, 2011. Important discussions including fundraising, the Spring Show, and a possible qualifying competition to be held by the club.**
