Test Session Canceled

The CFSC test session that was scheduled for September has been canceled due to anticipated low participation and associated financial loss for the club. The next test session is planned for November 20, 2011. This is the Sunday after the Mountain State Synchro Skate Competition.

Freestyle

New freestyle rules concerning payment were provided to club members via email on June 26th. Please check your email for a complete discussion of freestyle payment requirements. For your information, they have been summarized below:

1. Freestyle fees will go up to \$85 for an unlimited monthly pass, UNLESS the payment is received BEFORE the 10th of the month. If payment is made at the beginning of the month, your fee will be \$80, as we are accustomed. Please note that 5-hour passes will remain at \$45 and can be upgraded at any time.

2. Freestyle fees, (unlimited monthly passes and 5-hour passes) are due to be paid at the first of the month. If fees are not paid by the 10th of the month, and the skater has been skating during that month, as stated above, an additional \$5 fee will be assessed.

3. If the entire amount of fees are not paid by the end of the month, (and the skater has skated on freestyle ice during that month), the skater will not be allowed to skate during the next month until all fees have been paid in full to the ice monitor.

4. 5-hour passes may be purchased and upgraded to an unlimited pass at any time during the current calendar month.

5. Hourly fees must be paid to the ice monitor before the skater can enter the ice. IOU's will not be allowed.

6. If an invoice needs to be mailed for a past-due balance, an additional \$5 fee will be assessed.

It is recommended freestyle passes be purchased by writing a check to the CFSC for accounting purposes. Please note, you must be a CFSC member in good standing to take advantage of our freestyle passes.

Membership

Thank you everyone for timely renewal of your membership and welcome to our new members! If you have not renewed your membership, please submit your payment soon to ensure good standing in the club. Please note, if you did not submit your payment and release forms by June 30th, your membership in the club/USFSA is expired and will need to be renewed prior to participating in future competitions and/or test sessions. Since the rink will be closed in July, please mail your membership dues and release forms to Jennifer Pennington at the address provided in the membership renewal letter sent via email in May and June. Please don't forget your release forms! If you have any questions concerning membership in the CFSC please email Jennifer Pennington at ljep@suddenlink.net.
