Skating Camps

Summer skating camps are being offered by the Ice Arena during the summer. If you are interested in participating, registration and payment is through the Charleston Memorial Ice Arena (not the CFSC). A schedule for skating camps is available at the front desk at the ice arena.

Summer Freestyle

As of this date, the freestyle schedule for summer will be the same as that currently being offered.

2010/2011 Synchro Season

Information was recently emailed to all club members concerning the upcoming synchronized skating season. If you did not receive this information, copies are provided at the rink at the front desk. In general, one to three teams depending on the age and ability of the skaters will be formed. These include: a preliminary team, a pre-juvenile team, and an open juvenile and/or juvenile team. In addition, a Learn to Skate Beginner Team (no test level), and a Learn to Skate Adult Team (no test level) are planned. **Anyone who is interested in skating on one of the synchronized skating teams must submit a letter of commitment to Vicky Robb, Kristin Mallory, or Carla Warren prior to June 10, 2010.** There is no fee required at this time. **Anyone who wishes to participate in a non-learn to skate team, must be a member of the CFSC.**

Synchronized skating drills for skaters of all levels are being held on Thursday evenings from 5:30-7:00 pm. The cost for these sessions are \$ 10.00/per session.

Test Session

The tentative date for the next test session is the weekend of August 21 and 22nd. Plans to hold a moves clinic and critiques by the judges are being considered. Further details concerning the August test session will be provided at a later date.
