CHARLESTON FIGURE SKATING CLUB

Test Session

The next test session is scheduled for November 22nd 2009. This is the Sunday after the Mountain State Synchro Skate Competition. Test forms are available on the CFSC website, the bulletin board, and are also being provided to the coaches. **Please note, the deadline for form submittal is Sunday October 25th, 2009.** The test committee reserves the right to accept late forms at their discretion. However, a \$30.00 late fee will be incurred for test forms submitted two or more weeks after the stated deadline.

MSSS

The Mountain State Synchro Skate Competition scheduled for November 21, 2009 is quickly approaching. Kristin Mallory is soliciting volunteers at the present time for this important event. If anyone would like to contribute an item for the competition “goodie bags”, please see Kristin.

Skate for a Cure

The Ice Arena is planning a Skate for a Cure fundraiser on October 3rd from 10am—8 pm. If you would like to volunteer to assist with this event, please contact Tammy Harper at tmh_pr@yahoo.com. This is not considered an official CFSC fundraiser and no club obligation is required.

**Next Board Meeting: Thursday
October 8th at 6:00 PM**

The Nutcracker

The Charleston Figure Skating Club will present The Nutcracker this year as our December Ice Show. A sign up sheet for participation in the show will be provided in the locker room. **All interested must sign up by October 15th.** The tentative date for the show is December 13th. Parts will be assigned by the coaches by November 1st. Once this is accomplished, Bridgette Young will work in conjunction with the coaches to set the dates for group rehearsals. Everyone who wishes to participate in the show (with the exception of the “Learn to Skate” participants) must be a member in good standing with the CFSC. A \$ 40.00 show participation fee will be required of each participant.

Change in Club Status

It is planned to change the status of the club to a 501c3 non profit organization. This will provide tax credits for contributors to the club as well as other benefits. The first step needed to accomplish this is changing the name of the club. The name being considered is The South Charleston Figure Skating Club. Rebecca Thaxton is coordinating this change and can be contacted at jeffandrebecca@msn.com if anyone would like to discuss the details of this action further. Input from members regarding this planned change is welcome. The final vote concerning the charter change will be held at the next board meeting.
