

Parent Information Sheet

Welcome parents and skaters! This will serve as an info sheet to keep you updated on Theatre on Ice events for the 2019-2020 season.

Practice

Practice for the team will be every Wednesday from **6:45 – 7:45 pm**. All skaters **must** wear black pants and black fitted top. Loose fitting clothes are a hazard on the ice. Hair must be up for ladies. All skaters need to be ready for practice on time. Be on the ice at or before 6:45 pm.

Off-Ice practices may be added if necessary.

Commitment

Attendance at practice is of utmost importance. Practicing as a complete team is the only way to develop a cohesive and quality program. If you are out of town and can not make one practice you must contact Heidi in advance to let her know.

Cost

- roughly \$60/month (adjusted for months with less practice) – dependent on final number of team members
- costumes will be purchased individually

Our end of year competition will be Nationals. We will likely go to at least one competition before that. The possible competitions and dates are listed below.

Lexington Spring Competition (Lexington, KY) – March 20-21, 2020
